Notice of Public Meeting on the Development of Amendments to the Water Quality Control Plan for the Sacramento River and San Joaquin River Basins (Basin Plan) to Control the Discharge of Pesticides

The Regional Water Quality Control Board, Central Valley Region (Regional Water Board) staff will hold a public meeting to discuss and provide an update on the development of amendments to the Basin Plan for the control of discharges of pesticides. Staff is developing for Regional Board consideration an amendment to the Basin Plan designed to establish water quality objectives and a program of implementation for pesticides that are impacting or could potentially impact aquatic life uses in surface waters. Additional information about the proposed project is available on the Water Boards website at:

<http://www.waterboards.ca.gov/centralvalley/programs/tmdl/pest-basinplan-amend/index.html>

This meeting will provide participants with a status update on the project and a presentation of staff's responses to comments on the scope of this project.
